

# Makin' Fun Ain't Funny

Dolly Parton

Don't do it, don't do it  
Makin' fun ain't funny  
Don't do it, don't do it  
Makin' fun ain't funny

Don't do this  
Making someone else feel small to make yourself look big  
If you can't be big  
Don't belittle someone else, that's not the thing to do

Don't do it, don't do it  
Makin' fun ain't funny  
Don't do it, don't do it  
Makin' fun ain't funny

It's not cool  
To be a bully, acting ugly, breaking all the rules  
Don't do that  
How would you feel if you's the one that they were laughing at?  
How would you feel?

Don't do it, don't do it  
Makin' fun ain't funny  
Don't do it, don't do it  
Makin' fun ain't funny

It hurts and it hurts worse when it is done by so-called friends  
I promise you that it will come to no good in the end  
Bullies never ever get respect from anyone  
Let's celebrate our differences instead of making fun

Just don't do it, don't do it  
Makin' fun ain't funny  
Don't do it, don't do it  
Not on a dare, for show or money

Don't do it, don't do it  
Makin' fun ain't funny  
Don't do it, don't do it  
Makin' fun ain't funny

Don't do it, don't do it  
Makin' fun ain't funny  
Don't do it, don't do it  
Makin' fun ain't funny
