

# Potential New Boyfriend

Dolly Parton

Got my eye on a boy  
He's eyeing me back  
It's looking real good  
This could be it  
And I know that all of you girls  
Would love to steal him away

He bought me a drink  
I thanked him real sweet  
It's always so nice when you first meet  
And I know that all of you women would love to steal him away  
So I'm warning you

Better keep your hands off my  
Better keep your hands off my  
Better keep your hands off my potential new boyfriend  
Building up an appetite  
You can look but you can't buy  
Better keep your hands off my potential new boyfriend

Pretty as a picture  
Comin' on so strong  
He's twisting my ignition key  
Turn my motor on  
But anyone can see, all his attention's on me  
Give us some privacy

Better keep your hands off my  
Better keep your hands off my  
Better keep your hands off my potential new boyfriend  
Better keep your hands off my  
It's a welcome turn to try  
Better keep your hands off my potential new boyfriend

Leave us alone tonight  
Then if it don't work out right  
He's all your's  
Until then

Better keep your hands off my  
Better keep your hands off my  
Better keep your hands off my potential new boyfriend  
They keep crowdin' in on me  
He smiles rather unsuspectingly  
Better keep your hands off my potential new boyfriend

Better keep your hands off my  
Better keep your hands off my  
Better keep your hands off my potential new boyfriend  
Building up an appetite  
You can look but you can't buy  
Better keep your hands off my potential new boyfriend
