

Randy

Dolly Parton

Randy in your eyes, I see the promise of a future
The promise of a love like I have never known
Randy, cradled in your arms, I feel like I'm in heaven
And heaven knows I've needed someone like you for so long
So Randy take me with you, for that's where I want to be
Teach me how to fly on these new wings you've given me
Randy, let me show you what your love has meant to me
Randy, let me be the only one you'll ever need

Randy, you have given me reason to live again
Reason to love again and reason to smile
Randy, you have given me new inspiration
New dreams to dream and a reason to try

So Randy take me with you for that's where I want to be
Teach me how to fly on these new wings you've given me
Randy, let me show you what your love has meant to me
Randy, let me be the only one you'll ever need
