

# Stay out of My Bedroom

Dolly Parton

Stay out of my bedroom  
Don't be messin' up my pillows and sheets  
With your powder and perfume  
If you don't have some understanding of me  
Don't be knockin' on my door  
I don't want you to play in my fantasies  
Stay out of my bedroom  
Baby, if you can't take the heat

If you want it, come and get it, baby  
Satisfaction guaranteed  
I'm a pleaser, free and eager  
I ain't never had as much fun as I need  
Easy lovin', that's down my alley  
I may be easy but, at least I'm cheap  
Stay out of my bedroom, baby  
Baby, if you can't take the heat

Stay out of  
Stay out of  
You're dealin' with some hot stuff  
Baby, can you deal with the heat?

We might burn on forever, we might burn on tonight  
Where there's smoke there is fire from the flames that I ignite  
The heat is intense when the fire's blazin' high  
Slavin' over all those red hot lovers at night

If you come to my bedroom the heart of the heat  
I will pleasure your body in sheer ecstasy  
I will touch you in places no one else ever reached  
Till you won't remember anybody else but me

If you want it come and get it  
If it burns you don't come cryin' to me  
Don't come knockin' on my door  
Baby, if you can't take the heat  
Don't be peepin' through my window  
If you don't appreciate what you see  
Stay out of my bedroom, baby  
Baby, if you can't take the heat

Stay out of, stay out of  
You're dealin' with some hot stuff  
Baby, can you deal with the heat?  
Stay out of my bedroom...  
If you can't take it, stay out of my bedroom
