

Three Candles

Dolly Parton

Three candles, three candles
One for Christmas, one for me and one for you
Three wishes, three wishes
Three candles and three wishes
'Cause wishes do come true

Three candles shinning bright
Flickering and spreading light
To clear a pathway in the night
For all the world to see
You know me I'm always wishin'
It's so fun and it's so Christian
And it's my holiday tradition
Come on and sing with me

Three candles, three candles
One for Christmas, one for me and one for you
Three wishes, three wishes
Three candles and three wishes
'Cause wishes do come true
Three candles, three wishes
One for Christmas, one for me and one for you
Mmm-mmm-mmm, mmm-mmm
