

# We Got Too Much

Dolly Parton

We got too much of a good thing goin'  
We got too much to let it slide  
We got too much of a feelin' flowing  
We got too much, got too much to let it die  
Whatcha try'n to tell me, boy?  
Whatcha try'n to do to me?  
You know you're my pride and joy  
Don't leave me now, don't leave me now  
Around you my world revolves  
Its a problem we can solve  
Can it really be so involved we can't work it out?  
We'll work it out

'Cause we got too much of a good thing goin'  
We got too much to let it slide  
Yeah we got too much of a feelin' flowing  
We got too much, got too much to let it die

Won't you talk to me tonight?  
Let me hold you and love you right  
Nobody's gonna know those eyes  
The way I do, I do know you  
Maybe she's your fantasy  
She can't love you more than me  
Just touch me and you will see  
You're forever mine, forever mine

'Cause we got too much of a good thing goin'  
We got too much to let it slide  
Yeah we got too much of a feelin' flowing  
We got too much, got too much to let it die

Tell me what it is you want, what it is you need  
What it is that I ain't that I should be  
I'll play your games, I'll be your fool  
If you want me to learn, then take me to school  
Maybe I'll show you

We got too much of a good thing goin'  
We got too much to let it slide  
Yeah we got too much of a feelin' flowing  
We got too much, got too much to let it die

Yeah we got too much, we got too much  
We got too much, we got too much  
We got too much, we got too much  
We got too much, got too much to let it die

We got too much of a good thing goin'  
We got too much to let it slide  
Yeah we got too much of a feelin' flowing  
We got too much, got too much to let it die
