

Wrecking Ball

Dolly Parton

We clawed, we chained our hearts in vain
We jumped, never asking why
We kissed, I fell under your spell
A love no one could deny

Don't you ever say I just walked away
I will always want you
I can't live a lie running for my life
I will always want you

I came in like a wrecking ball
I never hit so hard in love
All I wanted was to break your walls
All you ever did was wreck me
Yeah, you, wreck me

I put you high up in the sky
And now, you're not coming down
Oh, and it slowly turned, you let me burn
And now, we're ashes on the ground

But don't you ever say I just walked away
I will always want you
I can't live a lie, running for my life
I will always love you

I came in like a wrecking ball
I never hit so hard in love
All I wanted was to break your walls
All you ever did was wreck me
I came in like a wrecking ball
Yeah, I just closed my eyes and swung
Left me crashing in a blazing fall
All you ever did was wreck me
Yeah, you wreck me

I never meant to start a war (I never meant to start a war)
I just wanted you to let me in (Let me in)
And instead of using force ('Sing force)
I guess I should've let you win
I never meant to start a war (Never meant to start a war)
I just wanted you to let me in (I just wanted you to let me in)
I guess I should've let you win
Guess I should've let you win

Don't you ever say I just walked away
I will always love you

I came in like a wrecking ball
I never hit so hard in love
All I wanted was to break your walls
All you ever did was wreck me
I came in like a (I will always love you)
Yeah, I just closed my eyes and swung (I will always love you)
Left me crashing in a blazing fall
All you ever did was wreck me
Yeah, you wreck me

Yeah, you wreck me

I will always love you
