

# You Can Do It

Dolly Parton

Now, when you're little you gotta think big  
You gotta see everything for what it is  
Life is large and a little bit tricky  
Things can get a little bit sticky

But you can do it  
Use your mind  
Stick right to it  
And you'll be fine  
Just think and plan  
And make it fun  
You can do it  
Just get it done

You might be little  
But you can be loud  
Just step right up and speak right out  
Use your manners  
Don't be rude  
Say thanks, I'm sorry, please excuse  
It's not about how big you are  
Being big don't make you smart  
But you can be big and smart as well  
If you learn your lessons well

You can do it  
Just use your mind  
You'll get through it  
Just give it time  
Plan and dream  
And look ahead  
You can do it  
Just like I said

Yes, you can do it  
Just use your mind  
Stick right to it  
And you'll be fine  
Just think and plan  
And make it fun  
Big or small  
You can get it done  
You can do it  
Just get it done

We can do it  
Let's get it done
