

Alicia

Dom Corleo

(Neilaworld)

(No pressure)

Really, it's no pressure (No pressure)

You could do your own shit (Woah)

We pop shit, do X drugs (X drugs)

I had too much weight up on my shoulders to keep my head up (Keep my head up)

I put all these diamonds on my neck to keep my head up (Keep my head up)

I ain't stressin' out about no bitch, I got my bread up (Bread, bread)

Pulled off in that black truck like Veeze on this vendetta

I pulled out that Draco and rocked the keys, Alicia (Fah, fah, fah)

I'm tryna rock my thumbs through all this cheese just like some pizza (Like some—)

I'm tryna Euro step just like I'm Dwight and turn that heat up (Turn that heat up)

I'm finna need that check to rock these shows and turn my fees up (Rock the show, bitch)

I don't even want that bitch, I hit it once, and I can't see her (Let's go)

Diamonds, too many diamonds, I could change the climate

Ain't no way around it, yuh, we gon' keep on climbin' (Climbin')

Climbin' (Climbin')

With all these diamonds (Diamonds)

Diamonds (Diamonds)

(No pressure)

Really, it's no pressure (No pressure)
