

Rockstar Drugz

Dom Corleo

Oh, oh
Yeah, yeah
Yeah, oh, uh

I'm in L.A. cashing out on chains and driving these cars (Cashing out on chains)
Just landed in L-D-N right now and I'm fuckin' these broads (I'm fuckin' this broad)
I'm flyer than a muhfuckin' jet, bitch, I fly with the muhfuckin' stars (I fly with the stars)
I'm taking these rockstar drugs and I'm living like superstars (Stars)

Got her off codeine pill, now she don't know her name (Okay)
I'm fuckin' this model with a pretty lil' face and good frame
I'm feelin' her body, I'm loving the way she rotate
She says she want some rockstar shit, yeah, she want that Cobain
I'm tryna get you in my room (Tryna get you in my room)
Yeah, I just wanna see what it do (Just wanna see what it do)
You say you got somethin' to prove (Say you got somethin' to prove)
So I'm tryna get you in the mood (Tryna get you in the mood)
You tell me you hittin' me too
Say we gon' start a family, ooh
Oh, you wanna be wifey or boo?
I just need you to keep it all cool (Whoa)
I just put on this shit, it's all black 'cause I'm rollin' around with the robbers and killers
I pulled up to the store and I walked out the store rockin' Numbers and Maison Margiela (Whoa)
I pulled up to the show then I rocked out the show, and I left out with more than I came with
At the top of the charts, lookin' down on these rappers, I laugh at 'em 'cause they so nameless (Yeah)
They speaking on me like I'm famous (Yeah)
While I'm sittin' back in my chair, I'm just rollin' up cookie and smoking on AMASS (Yeah)
I bend this bitch over and I put my dick in her spine, and my thumb in her anus (I put my thumb in her anus)
I'm fuckin' her good and I tell her I love her, but she know that I'd never claim it (Yeah)
That's the thing about me and I'm shameless (Yeah)
You wanna hang with the dawg, yeah, you wanna hang with the dawg (Uh)
You want that money and drugs, yeah, you wasn't lookin' for love (Uh)
I'm tryna show you what it was and I still got some dirt in my

cup (Dirt in my cup)

And I still got some gas in my blunt, but it's just me in this
bitch, no more us
