

Everything Getting Smashed

Dom Kennedy

If I knock twice then you know the deal
I'm livin better 700 on a new sweater
How we gon take over the game
If we don't stick together
Let it go down she get off first
First we fuck then we smoke
Then we eat desert
Rocky road crashed straight into a pot of gold
10 G's for my momma mister honor roll
And I need my first initial car by the stairs
Cute home girl went to college she do hair
FaceTime wit me while she laying in the bed
That's the queen of hearts gotta call it what it is
