

## First Time

Dom Kennedy

Bathin' Ape sweatsuit Cartier glasses  
I wish I walked around [?]  
Can't even take a day off it's so intense  
You know feeling when you riding around, paper tents  
How dare you looking like you ain't convinced  
When it's fall I bet we still rake it in  
It's no room you can't have this much paper in  
This niggas ghetto as fuck and still can't swim  
I touch water so clear  
I was already a player  
Just made me aware  
Diamonds I share  
My son is my heir  
He gone be wealthy as fuck  
He gone be healthy as fuck  
Gucci polo for picture day  
She just can't wait for February to come  
Black Chanel with the bow to match  
Some where along the way we got so attached

Guess you could say you'se the one I trusted  
Who would ever think that you would spread like mustard?  
When shit got hot

Oh now y'all want to talk black businesses  
Come to LA get your apprentice shift  
On Crenshaw I'll have this liquor store  
Sydney Lyons say nah just give them more  
Don't never quit the game if you love it  
You might not ever get to see through [?]  
All them nights spent with hoes got repercussion  
But when you 80 dawg who you gone end up with  
I might just hit it out the park like Justin  
Game 2, paid dues  
I remember rocking songs for the first time  
I remember taking off her thong for the first time  
I need everybody to stand like church time  
And when I see the skyline off the turnpikes  
And LA sunset with you by myself

You know  
Guess you could say you'se the one I trusted  
Who would ever think that you would spread like mustard?  
When shot got hot

I wish the world were truly happy (when I wake up in the morning)  
Living as one  
I wish the word they call freedom someday would come  
Someday would come
