Two lobster tails, that's for dinner, motherfucker

Look real funny, keep it real, do I chase the money?
Flows and shows turned into hoes and Os
A thousand dollars a day just on food and clothes

And I had a application for the TSA
Now they say, 'Yeah, Dom K., he L.A.'
You could check my background and see the highlights
Twenty stories up, baby, get your mind right
I'm gettin' head on site, you just a bitter motherfucker
When the light hit, it look like Jigga, motherfucker
I'm from the West Coast where they hit up motherfuckers
Got me in the rap game gettin' rid of motherfuckers
What the fuck is goin' on with this rap shit?

All Eyez On Me, they tryin' to get a motherfucker
Gettin' head while I drive, don't hit a motherfucker

Got three joints rolled, weed good
All the tickets sold, we good
Been rappin' ten years and you broke
Can't even buy a house in the hood, motherfucker

And I got my son, momma, in the CLA
Now they say, 'Yeah, Dom K., he L.A.'
You could check the highlights and see how we do it
