

# Since We're Telling the Truth

Dom Kennedy

Yeah

Too much, ay  
Too much, ay

Ya body look good in that dress  
But it look much better when it's bouncin' on me  
I think about you so much  
Real talk, even when I'm with another woman  
Living downtown was too much  
Every night the doorman meet another woman  
I could have a statue downtown

Been hustlin' out here all day  
I could finally kick back when you comin' honey  
Everybody know  
Closed mouths ain't gettin' nothin'  
You can't take it with you anyway  
It's just money baby  
I wanted to three years ago  
But you was runnin' from me  
Had to find somebody out here  
Tryin' to give it to me  
Everybody know  
Closed mouths ain't gettin' nothin'

I mean... Quit asking me where I been you know what I'm sayin'? Both my bath rooms marble, I'm good. What's up with y'all ladies though?

Ya body look good in that dress  
But it look much better when it's bouncin' on me  
I think about you so much  
Real talk, even when I'm with another woman  
Living downtown was too much  
Every night the doorman meet another woman  
I could have a statue downtown

I'm hopin' you the one  
Like Penny in central Florida  
I be wishin' it was more of it  
I bottle it up  
No foolish pride when I'm around you  
I swallow it up  
I might follow this up  
With a dozen of 'em  
Long stem roses  
'Cause you so gorgeous  
And we gettin' close  
Let's just toast  
To you  
To me  
To this  
You don't even have to be convinced  
It's so obvious  
By the time you hear this  
I'll have a smile on my face  
Goin' hard like I got a child on the way

Stay catchin' thick girls at the concert  
Smellin' good in them high heels  
That make they feet hurt  
I know

Ya body look good in that dress  
But it look much better when it's bouncin' on me  
I think about you so much  
Real talk, even when I'm with another woman  
Living downtown was too much  
Every night the doorman meet another woman  
I could have a statue downtown
