

# When I'm Missing U

Dom Kennedy

I love it when you wear your hair down for me (down for me)  
I really wish I could take you out (take you out)  
I got something new I been working on (been working on)  
Feel like coke in the drought (in the drought)  
I shouldn't say that, I might get in trouble (I might get in trouble)  
Magazines with Lamborghinis on the cover (on the cover)  
Tryna decide what kinda kush I wanna blow now, I'm missing you

This money shit was forced on us  
When Reggie Theus pulled up in the Porsche on us, it's going down (going down)  
Don't know how I'ma get it, just know that I want it  
Can't be out here like that nigga Trey Styles (hmm)  
The bug for somebody else  
She tryna get backstage and leave with somebody else (somebody else)  
(Uh) So put a check by her name, leave them two wristbands, let me see where we at (we at)  
(Ay) All shows on point (shows on point)  
And when they need me, they be like, 'Yeah, that voice, I know it' (know it)  
So tell 'em one more time, if you can't read signs, it's no pictures on the bus trick (bus trick)  
And it's no secret you love my style (love my style)  
We met six years ago (go)  
And you never disappeared on me (never disappeared)  
Coulda happened a couple years ago (Go)

I love it when you wear your hair down for me (down for me)  
I really wish I could take you out (take you out)  
I got something new I been working on (been working on)  
Feel like coke in the drought (in the drought)  
I shouldn't say that, I might get in trouble (I might get in trouble)  
Magazines with Lamborghinis on the cover (on the cover)  
Tryna decide what kinda kush I wanna blow now, I'm missing you

I think we making contact  
I think she starting to feel what I do (feel what I do)  
And we don't need foreplay (we don't need it)  
Skip it like some homework (ha ha!)  
Kiss it if it tastes good (let's go)  
Are you still down for me? (Still down for me)  
Playing off the iTunes (you see it)  
I might go extra slow (let's go)  
At Staples Center court side (let's go)  
On Burnside with the homies (let's go)  
Even if I was starving (Even if)  
I'm the type to pass on baloney (Fo sho, fo sho)  
Walk man by Sony (Fo sho, fo sho)  
I'm big as Tony! Toni! Toné! (Fo sho, fo sho)  
In this digital age (digital age)  
Tell them little boys put their lyrics away, I'm home

I love it when you wear your hair down for me (down for me)  
I really wish I could take you out (take you out)  
I got something new I been working on (been working on)  
Feel like coke in the drought (in the drought)  
I shouldn't say that, I might get in trouble (I might get in trouble)  
Magazines with Lamborghinis on the cover (on the cover)

Tryna decide what kinda kush I wanna blow now, I'm missing you

When I'm missing you

Missing you (Yeah)

When I'm missing you
