Domine

'My name is Elric  
And I bear the Black Sword

This is the Tale of Elric  
Before he was called Womanslayer  
Before the final collapse of Melnibone  
This is the tale of the two  
Black Swords

Mighty Elric, Mightier Sword  
Sorcerer and Swordsman  
Slayer of kin  
Lord of a dying race, King of ruins  
Dragon Master,  
Champion of Doom

Ymmrir, The Dreaming City  
Yrkoon, the hated usurper  
Cymoril, the beloved,  
All had fallen  
To the fury and unholy power  
Of the albino prince  
And his terrible Sword

Stormbringer, Black Runesword  
Battle - thirsty prince,  
Blood - hungry sword  
Stormbringer, sing a song of victory  
And as I hold you in my hands  
You drink the souls  
Of all my enemies  
My enemies, oh drink the souls  
Of all my enemies
