

# One Glass

Dominic Fike

I'll have one glass  
I swear (Ah, ooh, ooh)  
'Cause if  
She's there  
I'll need (Ah, ooh, ooh)

And baby, if the coastline swallows up the ocean  
If you're not my girlfriend by the time the world ends  
Ah

And if it ever comes back around  
I'll stop  
This song  
Right now

Ah, ooh, ooh, ooh, ooh  
Ah, ooh, ooh, ooh, ooh
