

# THICKRICK

Dominic Fike

You get scared, you get lied to  
I'm not fooled by the tattoos, love  
Two knees, any minute we might fall to 'em  
'Cause

You get tricked, you get lied to  
I'm not fooled by the tattoos, love  
Two knees, any minute we might fall

You know I act like a kid, sometimes I had to  
I know you act like a kid when you get cornered

Yeah, like I said, I can cry too  
Don't be tricked by the tattoos, love  
Two knees, any minute I might fall to 'em  
'Cause

I get tricked, I get lied to  
Don't be fooled by the tattoos, love  
Two knees, any minute I might fall to 'em

You know I act like a kid when I get cornered  
I know you act like a kid, sometimes you had to

Point is, I know just how you feel  
Point is, I know just how you feel  
Problem is, I know just how you feel  
Point is, I know just how you feel

You get scared, you get lied to  
I'm not fooled by tattoos, love  
Two knees, any minute we might fall to 'em  
'Cause

You get tricked, you get lied to  
I'm not fooled by the tattoos, love  
Two knees, any minute we might fall

You know I act like a kid when I get cornered  
I know you act like a kid, sometimes you had to
