

# Hell On Earth

Dominici

The detective goes back to the field where he saw the  
strange occurrence.

He is taken this time. The captors speak to him.

While he is with the captors, the plot is carried out  
and all life on the earth is destroyed.

He is the only survivor.

Can you hear the sound of Bazuzu in victory dance?

I tell you none of this is happening by chance

We gave you mountains, rivers and streams

We gave you woman that she may fulfill your dreams

Gave you the elements so you'd find fossil fuel

Wildlife companions but to them you have been cruel

We are not pleased with you!

Now your reign here is through!

Gave you free will with which to do as you may please

Gave you commandments but you did not follow these

Your whole world hangs at the end of the rope

We were amused when you thought you had a new hope

We gave you the choice of good or evil now and then

They both exist but only in the hearts of men

Our 7 angels will fulfill your prophecies

Destroy the world below and everything that breathes

(spoken)

Now...

Bowl 1 is poured out on the land

Bowl 2 is poured out on the sea.

Bowl 3 is poured out on the rivers

Bowl 4 on the sun

Bowl 5 is poured out over the throne of the beast

Bowl 6 over the Euphrates, the kingdom of the beast on  
earth

Bowl 7 is poured out into the air and the cities of the  
nations collapsed

...It is done!
