

I Won't Be Here

Dommin

Make a scene
Scream your worst
Think I'm mean
Claim your cursed
Sharpen your words
So they hurt

I won't be here
I won't be nowhere
To see your tears
To hear the protest

Make a mess
Of it all
Break the glass
Hit the wall
Someone may come
When you call
Someone might catch you
As you fall

I won't be here (I won't be here)
I won't be nowhere (I won't be nowhere)
To see your tears (To see your tears)
To hear the protest (To hear the protest)
I won't be here (I won't be here)
I won't be nowhere (I won't be nowhere)

Go back down to her
Go back now to her
Go back down to her
Go back now to her

I won't be here (I won't be here)
I won't be nowhere (I won't be nowhere)
To see your tears (To see your tears)
To hear the protest (To hear the protest)
I won't be here (I won't be here)
I won't be nowhere (I really don't care)
