Dommin

I know that things don't feel quite the same
And I know that it takes two players to play the game

I feel nothin', no I don't feel nothin', no I don't feel nothin'
' at all
I feel nothin', no I don't feel nothin', now I know what's goin
g on

Love is gone.
Love is gone, yeah.

I know that this has felt all wrong
And I know that this has gone on too long

You do nothin', no you don't do nothin', no you don't do nothin'
' at all
You do nothin', no you don't do nothin', yeah I know what's goi
ng on

Love is gone without you
Love is gone. What am I to do?
Love is gone.
I moved on.

I'm starting to feel the stain that you left with me
I hunger on. The pain you don't seem to feel
Ever.
It's far beyond my reach.
Now I know how hell feels
