# Not Afraid

**Dommin**

Something's happened to me
I don't feel quite the same
No more running
No more shunning
Away

I'm not afraid
All I want is to be with you
Take me away to the top of the world with you

Every day
All I want is to be with you
I'm not afraid

I have never felt so warm
Being wrapped in your arms
I am hoping nothing is broken today
Today

I'm not afraid
All I want is to be with you
Take me away to the top of the world with you
Every day
All I want is to be with you
I'm not afraid
Of what's inside of you

So this is paradise
So, so this is what it's like

I will do anything at your beck and call
Because I'm falling down
Falling down

I'm not afraid
All I want is to be with you
Take me away to the top of the world with you

Every day
All I want is to be with you
I'm not afraid
Of what's inside of you

I'm not afraid
Of what's inside of you

I'm not afraid
Of what's inside of you
