

Rule To Break

Dommin

It won't be long
It won't be long
'Til a new trail is burning
We'll walk upon
It won't be long

It won't be long
It won't be long
Until the world is turning
To a new song
It won't be long

Give me a rule to break
Give me a world to shake
Even if I end up hated
I won't be intimidated, no

Keep going strong
It won't be long
'Til all the bricks are broken
In front of us
It won't be long

Give me a rule to break
Give me a world to shake
Even if I end up hated
I won't be intimidated, no (Whoa oh, whoa oh)
Give me a rule to break
Give me a risk to take
You will never silence me
Yeah, I have no apologies, no, no, no

Against all accusations
I'll defy the expectations
Born of fear and doubt

Give me a rule to break
Give me a world to shake
Even if I end up hated
I won't be intimidated, no (Whoa oh, whoa oh)
Give me a rule to break
Give me a risk to take
You will never silence me
Yeah, I have no apologies, no, no, no
