

Tmechay

Don Bigg

To me you're more than just a One Night Stand
I really wanna be your man
When I leave I always run right back
Run right back, run right back to you

To me you're more than just a One Night Stand
I really wanna be your man
When I leave I always run right back
Run right back, run right back to you

Imma need you to bend over
All Night
I could be your Soldier
All Night
Bend Over
All Night
Oh
All Night
Imma need you to bend over
All Night
I could be your Soldier
All Night
Bend Over
All Night
Oh
All Night
