

# Living The Dream

Don Broco

He got the moves and he got the shoes  
He's done everything that I can think I want to have done  
It's troubling me (WHAT?)  
He got it so sweet (WHO'S THAT?)  
Goes by the name of Mac he thinks he is the bees

I realise, I realise what's going wrong  
Nothing's funny when no money's to be made at all  
I got a bum deal  
I got a bum deal  
I got a bum deal  
I got a bum deal  
I got a...

I feel alive  
But this life was cracked up to be  
So much more than is happening to me but  
I feel alive  
(And I'll pay), I won't stop believe (Way-oh Way-oh)  
Won't stop believing

Don't get too close to the man with the (ask 'cause he will)  
(Cut me down to sides with me) pieces by their own  
Can't help but ask, need to hear from the best (WHAT'S THAT?)  
Now tell me Mackie what's your secret to success

A real job, a real job is what you want  
No more worries, (no more struggles in case you can't)

I feel alive  
But this life was cracked up to be  
So much more than is happening to me but  
I feel alive  
(And I'll pay), I won't stop believe (Way-oh Way-oh)  
Won't stop believing

I want what Mackie's got  
I want what Mackie's got  
I want what Mackie's got  
I want what Mackie's got  
I want what Mackie's got  
I want what Mackie's got  
It's not the one (It's not the one)

I want what Mackie's got  
I want what Mackie's got  
I want what Mackie's got  
I want what Mackie's got  
I want what Mackie's got  
I want what Mackie's got  
I want what Mackie's got  
I want what Mackie's got

See this life was cracked up to be  
So much more than is happening to me but  
(Way-oh Way-oh)  
I won't stop believing

(Way-oh Way-oh)  
Living today has been dreamed that I'll (paint all my house oh)  
What if it's not the one?

I feel alive  
But this dream that I'm living what if  
(It's not the one? It's not the one?)  
I feel alive  
I won't stop believe  
(Way-oh Way-oh)  
I won't stop believing  
I...
