

What You Do To Me

Don Broco

All work and no play
All work and no play

I'm checking on who you're seeing
No message come through I'm reading
want none of your games, want none of your drinks you're steaming.
want none of your games, you're telling me you're telling me.
You're meeting down town with your other man but, I won't even raise an eyebrow say I wish you all the luck.
So you're creeping round town but I keep my mouth shut! Hope you notice that
I don't care, please I need to make this work.

What you do to me!
What you do to me!
No you don't know what you want No, don't know what you want No!
I see what you're getting, what's been going on!
What you do to me!
What you do to me!
What you do.

Wowowoooo hold up!
So what so what so what you say!
Just set to live with doubt.
Got nothing on me, You got nothing on me
You set it on me so why you telling me you're telling me.
You're meeting down town with your other man but
do you know your misdemeanors? just a rouse to wind me up.
So you're creeping round town but I keep my mouth shut!
Hope you notice that I don't care, please I need to make this work.

What you do to me
What you do to me
No you don't know what you want No, don't know what you want No!
I see what you're getting, what's been going on!
What you do to me
What you do to me
What You Do!

Hold it up, hold it up
Hold it up, hold it up
Tell me who you're seeing tonight? tell me who you're seeing?
Where you're staying, don't be staying?
Downtown, cos you gotta "Hold it up, Hold it Up",
Creeping round town yeah you need to make me work "Hold it up",
Downtown don't be staying.

What you do to me!
what you do!

What you do to me!
What you do to me!
No you don't know what you want No, don't know what you want No!
I see what you're getting, what's been going on!
how you're playing me!
how you're playing me, like you do!

What you do to me

No I don't know how to handle, don't know how to handle!
I've missed every chance I'm not your number one!
What you do to me!
What you Do!
