In Pieces

Don Carlos

Yes, we're gonna chant down Babylon kingdom down
Chant it down ya man Rome is for the Romans... And Zion is for I and
I
So lonely I've been down here

We want to be free, woooh... from all the misery
Yeaaaah
In a brutality, ohh yeaah
We want to be free

We gonna mash down Rome in pieces
Mash it to the ground

Mash down Rome in pieces
Mash it down the poor

Mash down Babylon kingdom down
Chant it down ya man, wooh
Chant down Rome in pieces
Chant it to the ground
We want to be free, woooh... from all the misery
Yeaaaah in brutality
We want to be free

Yes we're gona mash down Babylon kingdom down
Mash it down ya man
Mash down Babylon kingdom down
Mash it to the ground

So long we have been in captivity
And we want to be free
Free from all the misery
And brutality

We want to be free
From all the misery
Yeaaah in brutality
We want to be free

Ohhhhhhh, ohhhhhh, yeahhhh
Chant, chant, chant Babylon
Chant down Babylon kingdom down
Chant it down ya man
I mash down Rome in pieces... mash it to the ground
Chant down Babylon kingdom
Chant it down ya man
