

Just A Passing Glance

Don Carlos

Jah rastafarian
It can rain here too for the night
jah almighty ah
just a passing glance was all i had
of rastafarian face
just a passing glance was all i had
oh yes
just a passing touch of freedom i felt
deep in my soul oo oh
and it gives me the feeling, that i'm gonna be free
oh yes
the people did rejoice
to hear of the father's grace
i think we didn't even decide
just like a thousand years
it was a passing glance, that's all i had
of rastafarian face
it was a passing glance, was all i had
oh yes
just a passing touch, of freedom i felt
deep in my soul hoo oh
and it gives me the feeling, that i'm gonna be free
oh yes
oh yeah, oh yeah, oh yes
just a passing glance was all i had
of rastafarian face
just a passing glance was all i had
oh yes
just a passing touch of freedom i felt
deep in my soul hoo oh
and it gives me the feeling, that i'm gonna be free
oh yes
the people did rejoice
to hear of the father's grace
i think we didn't even decide
just like a thousand years
it was a passing glance, that's all i heard
of rastafarian face
it was a passing glance that's all i heard
oh yes
just a passing touch of freedom i felt
would it be my soul
and it gives me the feeling, that i'm gonna be free
oh yes
so free, so free, so free, free
