

Mr Sun

Don Carlos

Wooo oh yaa

Woo oh oh oh ya aight ya...

Got woke this morning by Mr. Sun

Shining through my window

I said (h)Ello Sun

Said (h)Ello Sun

Yes

I was so glad to see the sun come shining through

I jumped out my bed

I've got a lot of things to do

I can't waist time

Time is so precious to me

If I waste time, I'll be right behind the line

And who to tell? I might even lose my mind, lose my mind, yes,
loooooose my mind

Give thanks to you Mr. Sun, you've kept me away

I was so lovely, (not sure)

So give thanks to you Mr. Sun, give thanks to you

Mr. sun, oh no, oh doo ay whoo oh, mr. sun, who oh oh mr. sun..
.

Pretty much repeats...
