

# Animale

Don Diablo

We're making new friends  
We're out in the wild  
Oh uh-oh uh-oh oh uh-oh  
Me and black mamba  
And the crocodile  
Oh uh-oh uh-oh oh uh-oh

So follow us, but watch your step  
Tarantulas in leopard print  
That orangutan she looks a little like me  
It's all that monkey business  
What kind of jungle is this?

Stamp your hind legs  
Get behind me  
Animale  
(2x)

We're taking our friends  
We show them the ropes  
Oh uh-oh uh-oh oh uh-oh  
When the camouflage  
Of our fur covered coats  
Oh uh-oh uh-oh oh uh-oh

So follow us, you animals  
And jump the line, the night is ours  
Scratch at the door, your name is not on the list  
Come on and show 'em your fangs  
What kind of jungle is this?

Stamp your hind legs  
Get behind me  
Animale  
(2x)

We won't get back, it's awful late  
We let the beast out of the bag  
So help yourself and stay a while  
And listen to how loud this thing can howl (2x)

Stamp your hind legs  
Get behind me  
Animale  
(8x)
