

Dangerous

Don Diablo

Not again, I was moving on (No)
We're not friends
But I know this time we messed it up
Was so hard to forget your touch
Over my body
All of the day and nights

We do it and do it
And now we're running, and running
And then we fall apart
Hey we're dangerous
Yeah we're dangerous
We got it, we got it
But we forget how we started
And this is all we got
Hey we're dangerous
Yeah we're dangerous

We're dangerous
Yeah we're dangerous
We're dangerous
Yeah we're dangerous
(We're dangerous
Yeah we're dangerous)

Nevermind, what is done is done
We got high
But today we gotta pay the price
We can hide, we can shoot us low
Won't have to ride it
And then we fall apart (Apart)

We do it, do it, do it
And we do it, do it, do it
Yeah we gotta do it, do it, do it
Yeah we gotta do it, do it, do it
Do it, do it, do it
Now we gotta do it, do it, do it
Yeah we gotta do it, do it, do it
Now we gotta do it, do it, do it

We do it and do it
And now we're running, and running
And then we fall apart
Hey we're dangerous
Yeah we're dangerous
We got it, we got it
But we forget how we started
And this is all we got
Hey we're dangerous
Yeah we're dangerous

We're dangerous
Yeah we're dangerous
We're dangerous
Yeah we're dangerous

And we gotta do it, do it, do it
Yeah we gotta do it, do it, do it
Yeah we gotta do it, do it, do it
And we gotta do it, do it, do it
Yeah we gotta do it, do it, do it
Yeah we gotta do it, do it, do it
Yeah
