

Found You

Don Diablo

I didn't take time to say the words
I never quite made my feelings heard
Maybe I've bottled up the truth
But now I've got everything to lose

Let me swear to you, let me say it, I'mma testify
There's nothing that I wouldn't do
To have you and hold you tight

Never gonna let, never gonna let
I'm never gonna let you go
Never gonna let, never gonna let
I'm never gonna let you go
Never gonna let, never gonna let
I'm never gonna let you go
That is the truth

Never gonna let, never gonna let
I'm never gonna let you go
Never gonna let, never gonna let
I'm never gonna let you go
Never gonna let, never gonna let
I'm never gonna let you go
That is the truth
Is the truth

The truth, the truth
Never gonna let you
The truth, the truth
Never gonna let you
The truth, the truth
Never gonna let you go
That is the truth

The truth, the truth
Never gonna let you
The truth, the truth
Never gonna let you
The truth, the truth
Never gonna let you go
That is the truth

So let me give you what you deserve
'Cause, darling, I know how much it hurts
I'mma take every chance I can
To show you everything you were

Let me swear to you, let me say it, I'mma testify
There's nothing that I wouldn't do
To have you and hold you tight

Never gonna let, never gonna let
I'm never gonna let you go
Never gonna let, never gonna let
I'm never gonna let you go
Never gonna let, never gonna let
I'm never gonna let you go

That is the truth
Is the truth

The truth, the truth
Never gonna let you
The truth, the truth
Never gonna let you
The truth, the truth
Never gonna let you go
That is the truth

The truth, the truth
Never gonna let you
The truth, the truth
Never gonna let you
The truth, the truth
Never gonna let you go
That is the truth
