

Invincible

Don Diablo

Oh you don't know my scars
But ooh, it's not who we are, who we are

We are invincible, so beautiful
Through all of the hurt we'll stay
Invincible, so beautiful
We'll take on the world

We are invincible
Invincible, invincible
Invincible, invincible
Invincible, invincible

Invincible
Invincible
Invincible
Invincible

Oh you don't know my scars
But ooh, it's not who we are, who we are

We are invincible, so beautiful
Through all of the hurt we'll stay
Invincible, so beautiful
We'll take on the world

Invincible, invincible
Invincible
Invincible, invincible
Invincible
