

## Not Alone

Don Diablo

It felt like 1995  
We were wasted all the time  
Dancing in a muddy field  
Slowly losing our minds  
Talking shit all night  
Getting too high  
When I started freaking out  
Still remember what you said

You are not alone  
I'll wait 'til the end of time  
Open your mind  
Come to the other side with me

You are not alone  
I'll wait 'til the end of time  
Open your mind  
Come to the other side

You are not alone  
I'll wait 'til the end of time  
Open your mind  
Come to the other side with me

You are not alone  
I'll wait 'til the end of time  
Open your mind  
Come to the other side with me

You are not alone  
You are not alone  
You are not alone  
You are not alone

It felt like 1995  
We were wasted all the time  
Dancing in a muddy field  
Slowly losing our minds  
Talking shit all night  
Getting too high  
When I started freaking out  
Still remember what you said

You are not alone  
I'll wait 'til the end of time  
Open your mind  
Come to the other side

You are not alone  
I'll wait 'til the end of time  
Open your mind  
Come to the other side with me

You are not alone  
I'll wait 'til the end of time  
Open your mind  
Come to the other side with me
