The Same Way

Don Diablo

We were young, we were far from home
Dancing in the streets down in Mexico
We were oceans, worlds apart
Til we found each other in that old town bar

Can you feel it
Can you feel it
Say you feel the same way I do

Can you feel it
Can you feel it
Feel it your blood like I do

Say you feel the same way I do
Feel it in your blood like I do

Say you feel the same way I do
Feel it in your blood like I do

We would lay underneath the stars
Talking bout our future and here we are
And when we woke in the morning sun
I told everyone I know you're the one

Say you feel the same way I do
Feel it in your blood like I do

Say you feel the same way I do
Feel it in your blood like I do

Say you feel the same way I do
Feel it in your blood like I do...
