

## Behold The Lamb

Don Francisco

I walked alone  
Before the crowd  
Made my stand  
I've cried aloud  
I'm just a slave  
Unworthy hire  
I've only washed off  
Earthly mire  
I'm not the one  
The world awaits  
But now he's here  
He's at the gates  
He will baptize  
Your soul entire  
With heavenly power  
With holy fire  
The sun arose  
The morning clear  
I watched him walk  
His steps drew near  
I whispered, "Lo  
This cannot be  
You are the one  
To baptise me."  
He smiled and said  
"Relax, my friend  
It's been ordained  
To thus begin."  
The Spirit's voice  
Confirmed inside  
So to all around I cried

Behold the Lamb  
Of God  
Behold the Lamb  
Of God  
Behold the Lamb  
Of God  
Who takes away the sin  
Of all the world  
This is the truth  
I testify  
I've seen not only  
With my eyes  
The Spirit came  
A shining dove  
On silver wings  
From high above  
And settled down  
Upon him there  
The Father's voice  
Filled all the air  
"You're my delight  
Since times begun  
My beloved  
My only Son."

Behold the Lamb  
Of God  
Behold the Lamb  
Of God  
Behold the Lamb  
Of God  
Who takes away the sin  
Of all the world  
Who takes away the sin  
Who takes away the sin  
Who takes away the sin
