

Feed My Sheep

Don Francisco

Just as the day was breakin'
Jesus stood there by the sea
None of us aboard that boat
Could tell that it was He

Suddenly our net was full
As full as it could be
And John said it's the Lord
And I rushed to Him by the sea

On the shore, we ate with Him
Just like in days gone by
The words that passed between us
I'll remember till I die

He said, Simon, do you love me more
Than all these others do?
I said, Lord, you have no closer friend
My love for you is true

Then He told me, feed my sheep
Feed my sheep
Feed my sheep
Feed my sheep

As if He disbelieved me
He asked me twice again
Till I said, Lord, You know everything
You know I am Your friend

If you're my friend, He said

You'll do the things I say
To love my sheep as I do
Till I come for them that day

Then He told me, feed my sheep
Feed my sheep
Feed my sheep
Just feed my sheep

Words of love are easy
Actions make it real
Promises are worthless
It depends on how ya feel

A hireling just earns wages
And he runs when wolves come near
The shepherd guards his charges
And never yields to fear

All He said was, feed my sheep
Feed my sheep
Feed my sheep
Feed my sheep

Feed my sheep

If you love Me, feed my sheep
If you really love Me, feed my sheep
Feed my sheep

Feed my sheep
Feed my sheep
Feed my sheep
Feed my sheep

Feed my sheep
Just feed my sheep
