

## Help Me To Worship

Don Francisco

Help me, Lord Jesus, to worship you  
Lord, my flesh seems so strong  
Help me, Lord Jesus, to worship you  
Holy Spirit, inhabit my song

By your blood, you have cleansed me from all of my sin  
By your grace, you've made heaven my home  
So, Lord, in your mercy, take hold of my heart  
Lift me in praise to your throne

Help me, Lord Jesus, to worship you  
Lord, my flesh seems so strong  
Help me, Lord Jesus, to worship you  
Holy Spirit, inhabit my song

By your blood, you have cleansed me from all of my sin

By your grace, you've made heaven my home  
So, Lord, in your mercy, take hold of my heart  
Lift me in praise to your throne

By your blood, you have cleansed me from all of my sin  
By your grace, you've made heaven my home  
So, Lord, in your mercy, take hold of my heart  
Lift me in praise to your throne

Help me, Lord Jesus, to worship you  
Lord, my flesh seems so strong  
Help me, Lord Jesus, to worship you  
Holy Spirit, inhabit my song
