

It Will Be So

Don Francisco

When He says, "Come here,"
Then you come
When He says, "Come quick,"
Then you run
When He says, "Go there,"
Then you go
And when He speaks His word
You know it will be so
Now, the captain of a hundred men
Had a servant who was just like a friend
But he was hurtin', lying' paralyzed
In pain, just about to die
Now this captain heard about Jesus' fame
And he believed in the Messiah's name
He sent some men to him without delay
And he told them all the words to say
Say, "I'm not worthy, Lord, to see your face
Or even less to ask you to my place
And there's no need to travel all this way
For my servant to be healed today
Because I am a man beneath authority
I know it was the same for you and me
I obey from above every plan
And so does everyone at my command
When I say, "Come here,"
Then he comes
When I say, "Come quick,"
Then he runs
When I say, "Go there,"
Then he goes
And when you speak the word
I know it will be so
When Jesus heard what this man had to say

He just stopped stock still in the way
He said, "Nobody's had faith this great
And this is something I appreciate
So take a word to your captain from me
As you believe now so it's gonna be."
When they got back to the house it was true
God had done just what he said he Would do
Now the point of the story at hand
Even Jesus was impressed by a man
Who really understood that when you obey
There's power in what you do and say
You shouldn't need my help to see
That God's the ultimate authority
And today there is no chain of command
We're taking orders right straight from the man
When He says, "Come here,"
Then you come
When He says, "Come quick,"
Then you run
When He says, "Go there,"
Then you go
And when you speak His word

You know it will be so
When He says, "Come here,"
Then you come
When He says, "Come quick,"
Then you run
When He says, "Go there,"
Then you go
And when you speak His word
You know it will be so
