

## Known Only To Him

Don Gibson

When my eyes behold the stars  
This heart of mine is filled with wonder  
My poor mind cannot grasp their array  
But the hand that spilled them there  
All across the wide heaven  
Had a plan when He placed them that way

Known only to Him  
Are the great hidden secrets  
I'll fear not the darkness when my flame shall dim  
I know not what the future holds  
But I know who holds the future  
It's a secret known only to Him

In this world of fear and doubt  
On my knees I ask the question  
Why a lonely heavy cross I must bear?  
Then He tells me in my prayer  
It's because I am trust worthy  
He gives me strength far more than my share

Known only to Him  
Are the great hidden secrets  
I'll fear not the darkness when my flame shall dim  
I know not what the future holds  
But I know who holds the future  
It's a secret known only to Him
