

# All She Wants to Do Is Dance

Don Henley

They're picking up the prisoners and putting them in a pen  
And all she wants to do is dance, dance  
Rebels have been rebels since I don't know when  
And all she wants to do is dance

Molotov cocktail, the local drink  
And all she wants to do is dance, dance  
They mix them up right in the kitchen sink  
And all she wants to do is dance

Crazy people walking 'round with blood in their eyes  
And all she wants to do is dance, dance, dance  
Wild-eyed pistol wavers who ain't afraid to die  
And all she wants to do is

All she wants to do is dance and make romance  
She can't feel the heat coming off the street  
She wants to party, she wants to get down  
All she wants to do, all she wants to is dance

Well, the government, bugged the men's room  
In the local disco lounge  
All she wants to do is dance, dance  
To keep the boys from selling  
All the weapons they can scrounge  
And all she wants to do is dance

But that don't keep the boys from making a buck or two  
And all she wants to do is dance, dance  
They still can sell the army all the drugs that they can do  
And all she wants to do is

All she wants to do is dance and make romance

Well, we barely made the airport for the last plane out  
As we taxied down the runway  
I could hear the people shout  
They said son't come back here, Yankee  
But if I ever do, I'll bring more money

Cause all she wants to do is dance and make romance  
Nevermind the heat coming off the street  
She wants to party, she wants to get down  
All she wants to do is

All she wants to do is dance and make romance  
All she wants to do is dance
