

Lonely Too Long

Don Johnson

I've been lonely too long I've been lonely too long
in the past that's come and gone I feel like I can't go on
now you know I've been lonely too long I've been lonely so long
As I look back I can see me lost and searching
now I find that I can choose I'm free
so funny I just have been loved all my troubles don't mean half
I've been lonely too long I've been lonely too long
in the past that's come and gone I feel like I can't go on
now you know I've been lonely too long I've been lonely so long
D'you see me now desert with the time awaking
she was all I needed make me see
keep hoping with all my love everything's gonna work out right
I've been lonely too long I've been lonely so long
