

And I Love You So

Don McLean

1. C Dm
And I love you so
Dm7 C Cmaj7
The people ask me how
Am Dm7
How I've lived till now
F G7
I tell them I don't know
C Dm
I guess they understand
Dm7 C
How lonely life has been
Am Dm7
But life began again
F C
The day you took my hand

 C Dm7
R: And yes, I know how lonely life can be
 G7
The shadows follow me
G7/9 C F C
And the night won't set me free
Cmaj7 Am Dm7
But I don't let the evening get me down
 G7 G7/9 C C6 C
Now that you're around me

2. And you love me too
Your thoughts are just for me
You set my spirit free
I'm happy that you do
The book of life is brief
And once a page is read
All but love is dead
That is my belief

R: And yes, I know how lonely...

C Dm
And I love you so
Dm7 C Cmaj7
The people ask me how
Am Dm7
How I've lived till now
F G7 C
I tell them I don't know
