

## Good Old Wagon

Don McLean

Hey, lookie here, pretty mama, please get out of my sight  
I'm callin' it quits now, from this very night  
You had your chance, now, don't you sit around and frown  
You've been a good old wagon, mama, but you done broke down

You better go down to the blacksmith shop and get yourself an o  
verhaul  
There ain't nothin' about you would make a good man crawl  
'Cause nobody wants a baby when a real woman can be found  
Yeah, you've been a good old wagon, mama, but you done broke do  
wn

Mm, mm, mm-mm-mm-mm  
Mm, got me a new baby, and I mean to tell you so  
She's taught me more about lovin' than you will ever know  
She's a queen of lovin', yeah, and she oughta be wearin' a crow  
n  
She's a good old wagon, mama, and she ain't broke down

Aw, yeah, now you know that  
She's a queen of lovin', she oughta be wearin' a crown  
She's a good old wagon, mama, and she ain't broke down  
No, no, no, no  
She's a good old wagon, mama, and she ain't broke down
