

# Greenback Dollar

Don McLean

Some people say I'm a no-count  
Others say I'm no good  
But I'm just a natural born travellin' man  
Doin' what I think I should  
Doin' what I think I should

And I don't give a damn about a Greenback a-dollar  
I spend it fast as I can  
For a wailing song and a good guitar  
The only things that I understand  
The only things that I understand

And I don't give a damn about a Greenback a-dollar  
I spend it fast as I can  
For a wailing song and a good guitar  
The only things that I understand  
The only things that I understand

When I was a little baby  
My momma tol me, "Son  
Travel where you will and grow to be a man  
And sing what must be sung  
Sing what must be sung"

And I don't give a damn about a Greenback a-dollar  
I spend it fast as I can  
For a wailing song and a good guitar  
The only things that I understand  
The only things that I understand

Now that I'm a grown man  
I've travelled here and there  
I've learned that a bottle of brandy and a song  
The only ones who ever cared  
The only ones who ever cared

And I don't give a damn about a Greenback a-dollar  
I spend it fast as I can  
For a wailing song and a good guitar  
The only things that I understand  
The only things that I understand

Some people say I'm a no-count  
Others say I'm no good  
But I'm just a natural born travellin' man  
Doin' what I think I should  
Doin' what I think I should

And I don't give a damn about a Greenback a-dollar  
I spend it fast as I can  
For a wailing song and a good guitar  
The only things that I understand  
The only things that I understand  
The only things that I understand, that's right  
The only things that I understand
