

## Be Still My Soul

Don Moen

Be still my soul  
Be still my soul  
Cease from the labor and the toil  
Refreshing springs of peace wait  
To troubled minds and hearts that ache

Be still my soul  
God knows your way  
And He will guide  
For His name's sake  
Plunge in the rivers of His grace  
Rest in the arms of His embrace

Be still my soul  
Be still my soul  
Though battles round you rage and roar  
One thing you need and nothing more  
To hear the whisper of your Lord

Be still my child  
I know your way  
And I will guide  
For my name's sake  
Plunge in the rivers of My grace  
Rest in the arms of My embrace
