Changing Lives

Don Moen

Someone ask a question
Do you believe in this miracles
How do you open blind eyes
How can a lame man start walking
What is the source of your strength

Yes, I believe in this miracles
I open the blind eyes by faith
God is the source of my strength
He's the same yesterday and today

My God is still changing lives
He's still around doing good
He's my source of my strength
My God is still changing lives

Changing lives...
Changing lives...
Changing lives...

My God is still changing lives
If any man is in Christ
He is a new creation
Old things have passed away
All things have become new

Changing lives...
Changing lives...
Changing lives...

My God is still changing lives
My God is still changing lives
My God is still changing lives
He's still around doing good
He's my source of your strength
My God is still changing lives
My God is still changing lives
My God is still changing lives
