

# God Is on Our Side

Don Moen

God is on our side  
An ever present fortress  
In His shadow we can hide  
Who can be against us  
Any charge must be a lie  
For He who gave His Son to die  
Is forever on our side

God is on our side  
An ever present fortress  
In His shadow we can hide  
Who can be against us  
Any charge must be a lie  
For He who gave His Son to die  
Is forever on our side

What can now be spoken  
In response to what  
He's done  
For we who once were broken  
Have been rescued by His Son  
The blood of Christ His offering  
No greater love is known  
The Father held back nothing  
To reclaim us for His own  
...

God is on our side  
An ever present fortress  
In His shadow we can hide  
Who can be against us  
Any charge must be a lie  
For He who gave His Son to die  
Is forever on our side

No condemnation  
For God's alive in Christ  
The Spirit's declaration  
Retreat unto our lives  
Retreat unto our lives

God is on our side  
An ever present fortress  
In His shadow we can hide  
Who can be against us  
Any charge must be a lie  
For He who gave His Son to die  
Is forever on our side

For He who gave His Son to die  
Is forever on our side God is on our side  
He is on our side
