

Grateful

Don Moen

Feels its gonna take forever
To exhaust my gratitude
But I'm not gonna stop
Till the whole world knows
But I'm grateful for giving me your only son
You took to pain knowing that I am the one
Just grateful
I'm grateful
So grateful

You gave your life
More could you give
Suffered and died
So that I could live
I give you thanks
For all you have done
You are my father
And I am your son

Death couldn't hold you back
I'm grateful
(I'm grateful)
Grave couldn't hold you back
I'm grateful
(Oh yeah)

I'm grateful
So grateful
I'm grateful
Lift your hand
I'm grateful
I'm grateful
Just tell him
I'm grateful
I'm grateful
I'm grateful
So grateful
I'm grateful
I'm grateful
I'm grateful
We love you Lord
I'm grateful
I'm grateful
I'm grateful
We love you Lord
I'm grateful
I'm grateful
Thank you for all you've done
I'm grateful
I'm grateful
I'm grateful...
