

Ransomed

Don Moen

So I gladly bow my knees before my King
Offering all I have to give is what I bring
Jesus You are greater than this world of sin
You have made a way for me to enter in

All honor
All glory
To the Lamb of God Jesus
We live for You Savior
You come to ransom us
You ransom us

When I pass through waters deep I will not fear
When I'm walking through the fire You will be near
Jesus You deliver with Your mighty hand
I will give You praise in every circumstance

All honor
All glory
To the Lamb of God Jesus
We live for You Savior
You come to ransom us

All honor
All glory
To the Lamb of God Jesus
We live for You Savior
You come to ransom us

You ransomed us
You ransomed us
You ransomed us
You ransomed us

All honor
All glory
To the Lamb of God
